**Storytime/Reading**

Do you have a love for reading or listening to a story? Do you have a favorite author and would like to find out what else he or she wrote? Check out the resources below to find great suggestions for books to your favorite authors. You can even select one of the storytelling links and sit back and enjoy a story!

**Summer Reading Lists**

There is no greater indicator of student academic success than reading ability and good reading habits. The books contained in these lists have been chosen with the belief that good books belong in students' hands.

**Other Online Catalogs**

State and local online library catalogs provide 24 hour access to library collections. The catalogs help you locate needed resources in school and public libraries. If your school library doesn't have a book you need, but another school does, you can borrow it through an interlibrary loan.
